

# WHY PARTICIPATE?

## MAKE AN IMPACT

Help shape the next generation of cybersecurity training

## UPSKILL STUDENTS

Prepare learners for future jobs in digital industries

## MODERNIZE YOUR CURRICULUM

Integrate cutting-edge cybersecurity content

## TRAIN YOUR TRAINERS

Give your staff access to innovative teaching tools

## COLLABORATE INTERNATIONALLY

Connect with a European network of educators and SMEs

The Pilot Program is a hybrid training experience that combines online learning modules with local mentoring sessions led by cybersecurity experts. Between **January and April 2026, participants will:**

- ✓ Complete at least one cybersecurity module on the CyberAgent platform
- ✓ Join an interactive European learning community
- ✓ Share feedback to help improve the content and platform
- ✓ Receive a CyberAgent Certificate from Vilnius University

# PARTICIPATION IS VOLUNTARY AND FREE

## JOIN NOW

No prior cybersecurity experience is required, but strong motivation and basic digital literacy. Minors may participate only with written authorization from a parent or legal representative. Participants must be residing in geographical Europe or Erasmus+ partner country (Belgium, Spain, Finland, Lithuania, Norway, Turkey, Romania, Poland). Students or educators from training centers who wish to strengthen their digital and cybersecurity skills are welcomed to apply.

# WHY PARTICIPATE?

## ENHANCE EMPLOYABILITY

Equip your students with in-demand cybersecurity skills

## INTEGRATE INNOVATION

Use high-quality, ready-to-teach digital resources

## EMPOWER YOUR EDUCATORS

Teachers and trainers can use new learning tools and approaches

## BOOST VISIBILITY

Your university will be featured as a CyberAgent pilot partner on our channels
